

**VIAROCARE**  
PRIMARY HEALTH

# Breathing New Life Into a Healthy Community.

About one-third of insured adults worry about affording their monthly health insurance premium\*. To tackle this growing issue, ViaroHealth introduces a unique preventive strategy that gives you access to our integrated services as our experienced teams walk with you, helping you through your health journey.

## Primary Health Clinic

We deliver a comprehensive approach to primary care that integrates all aspects of wellness for you into one place.

## Health + Fitness

Helping to transform the way you think about your body, your health, and the things you do in your daily life.

## Behavioral Health

Our model of integrated health treats the whole person, including emotional and behavioral needs.

## Therapeutics

Our integrated approach to wellness includes responding to your needs in ways that don't always fit traditional definitions of healthcare.
